THE CODING CHALLENGE

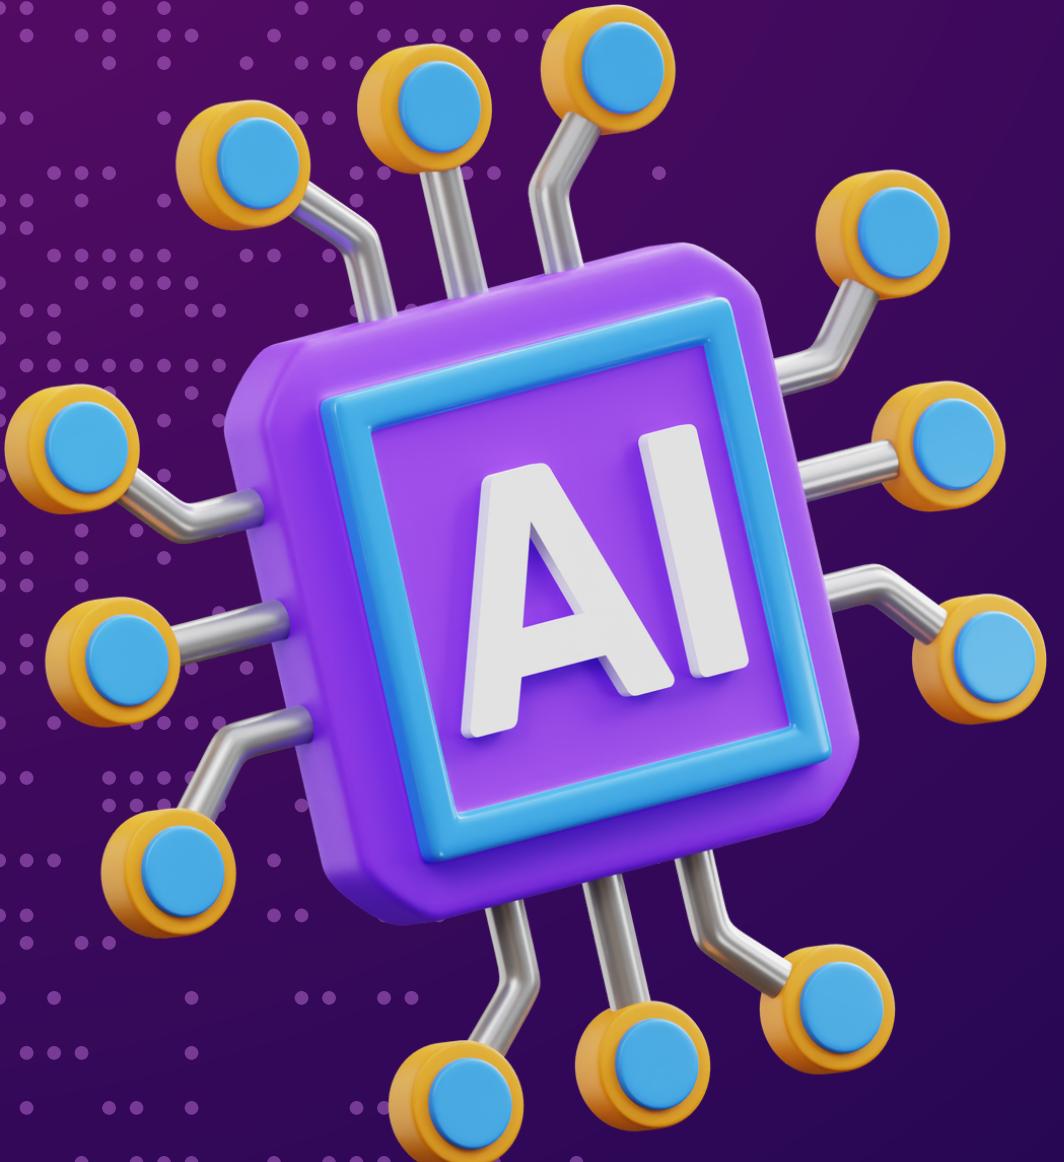

5th APRIL 2024, 10:00 AM to 11:30 AM

ABOUT THE EVENT

Get ready for a coding showdown! We're excited to invite you to our upcoming competition where your coding skills take center stage. This occasion constitutes a technology-centric trivia, wherein participants assemble into teams with a maximum composition of three individuals, engaging in the resolution of coding competitions. The victorious team is decided based on swift progression, culminating in a questionnaire focused on code debugging, time complexity, and code optimization.

GAME RULES

- ① The contest will run for 90 minutes.
- ② There will be 6 questions in total.
- ③ Participants can code in any language.
- ④ An online judge system will evaluate submissions.
- ⑤ Participants can seek clarifications regarding problem statements.

FAQS

Q. How many members can participate from a team?

A. 1-2 Members are allowed per team.

Q. Do we need to bring our laptops?
