

# TECH LOOP

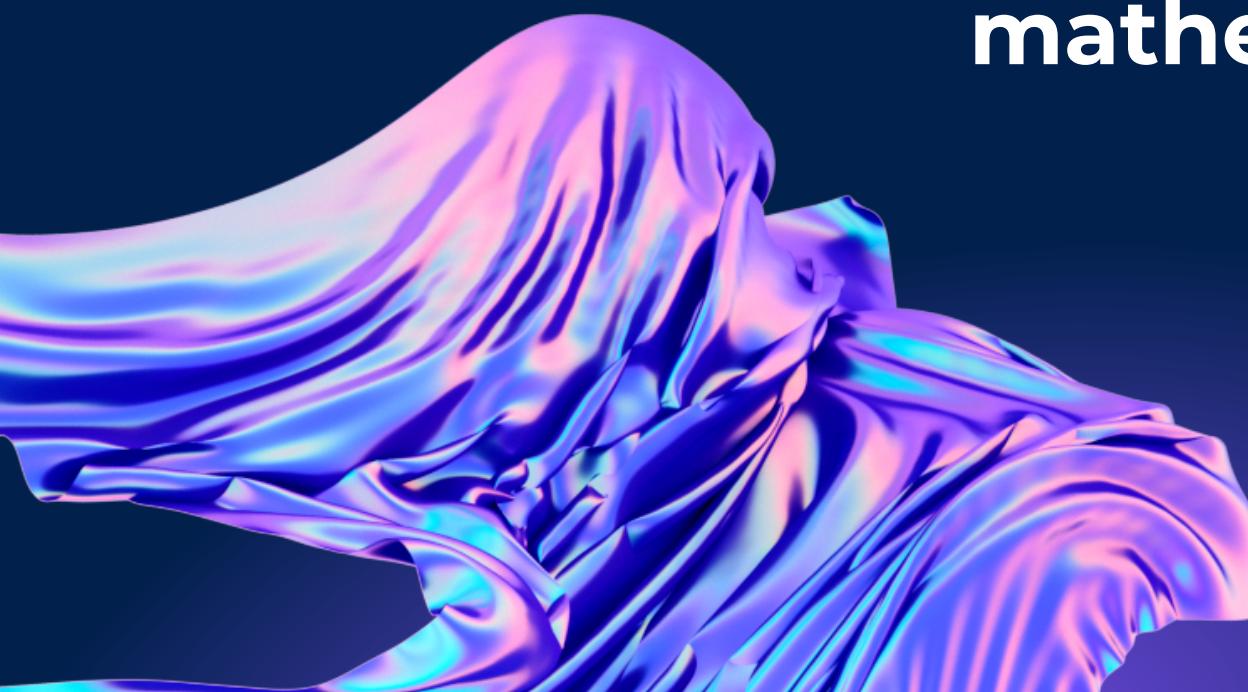

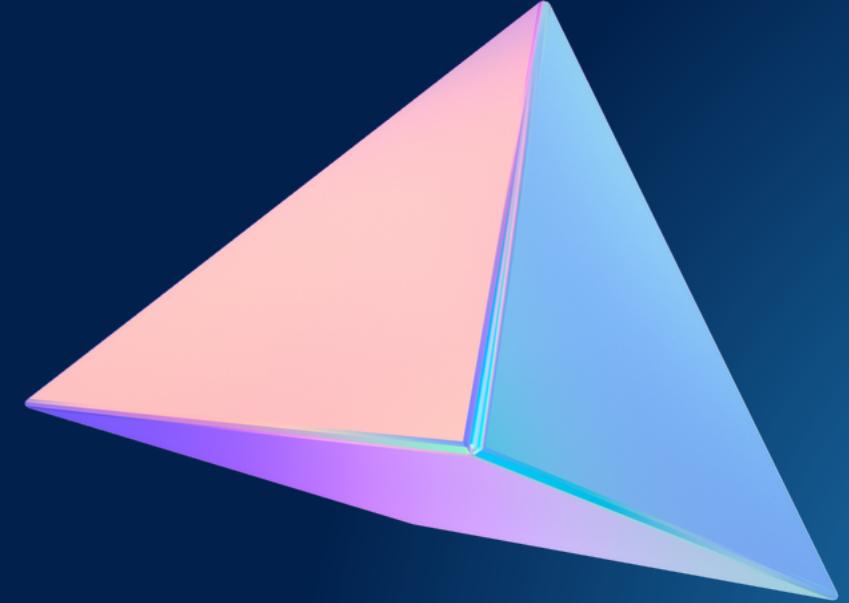

The Ultimate Questionnaire

5th April, 12:15 PM to 12:45 PM

# About Event

**TechLoop is a Kahoot-based quiz competition where students will be tested on their aptitude and other tech-related knowledge. As the name suggests, the competition will include MCQ type questions from both technical and general mathematical aptitude-based topics.**

# GAME RULES

- **Duration:** The game will run for 1800 seconds (30 minutes).
- **Questions:** There will be a total of 50 multiple-choice questions (MCQs).
- **Topics Covered:**
- **Technical Knowledge:** Questions related to programming languages, algorithms, data structures, computer networks, databases, and other tech-related concepts.
- **Mathematical Aptitude:** Basic mathematical questions covering topics like algebra, geometry, probability, and arithmetic.
- **Scoring:**
- i) Each correct answer earns the participant 1 point.
- ii) There is no negative marking for incorrect answers.
- **Time Limit per Question:**
- Participants have 36 seconds to answer each question.
- If they don't answer within the time limit, the system will automatically move to the next question.

# FAQs
